Re: Termination of Access to Lot 38 Through Lot 37

Access to (Lot 38), part of Section 20, T1S, R5E, Summit County, Utah owned by Lon Thomas and Associates, et al, from Browns Canyon Road through the John Hut property (Lot 37) has been granted and allowed to facilitate the removal of building stone and landscape boulders permitted under previous leases begun in 1996 and 2000 with Wright/Garff Resources, LLC. (Wright/Garff). Since the 2000 lease ended October 31, 2005 and no new lease agreement has been signed, the right to use that access is hereby terminated.

Further use by Lon Thomas Associates, American Stone, Star Stone Quarries or any of their affiliates will be allowed only for the purpose of removing equipment presently stored on Lot 38. Please contact Wright/Garff to arrange for the opening of the access for that purpose.

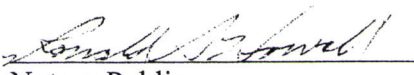

Kindest regards,

John Hut, Surface Owner of Lot 37
